Dear Ms. Lundholm:

This letter serves to inform you of the status of your re-certification as a Woman Small Disadvantaged Business Enterprise as defined by the City of Durham's Ordinance to Promote Equal Business Opportunities in City Contracting. Your firm was re-certified effective March 11, 2014.

Re-certification is for a two (2) year period. At the end of the two (2) year period, it will be necessary for you to be re-certified in order to remain on our certified list and be included in the active data bank.

It is important to note that this re-certification does not automatically guarantee that you will receive business from the City of Durham. You will still need to aggressively market your firm. However, it does mean that your firm will be considered as a potential source of supply for the products or services you provide.

Should there be a change in ownership and/or control of your firm at any time prior to the re-certification date, please advise this office in writing.

Your continued interest in doing business with the City of Durham is appreciated. Should you have any questions, please do not hesitate to contact us.

Sincerely,

Daniel V. Love, Jr., EO/EA Specialist
