SUBJECT: Approval of Annual DBE Certification Eligibility

Dear Jennifer Lundholm:

The annual review for your Disadvantaged Business Enterprise (DBE) certification has been approved by the North Carolina Department of Transportation.

In order to remain as an eligible DBE firm, you will be required to submit a Declaration of Eligibility (DOE) to this office along with gross receipts for its most recently completed fiscal year, by your anniversary date of by your anniversary date of **April 8, 2025**.

Failure to submit the declaration with appropriate supporting documentation on an annual basis will result in removal of your firm's DBE certification. The declaration will attest to the fact that no changes have occurred affecting your status as a Disadvantaged Business enterprise, and that your personal net-worth has not exceeded \$2.047 million as required by federal regulation for economically disadvantaged individuals.

Should you experience any changes in ownership, management responsibility, specialty, address email, and/or telephone numbers, you are required to notify this office in writing within thirty (30) days of the change. Failure to inform this office of a change may result in the removal of your firm's certification status.

Please note that to work for the North Carolina Department of Transportation, you must be pre-qualified. Contact the Contractual Services Management Section at Prequal@ncdot.gov for more information about pre-qualification.
